Please search the following subject matter:

78208

P-539
"anti-tau antibody that specifically binds to an epitope of tau at position 262 (Serine) and only when Serine is phosphorylated" ("anti-phosphorylated tau at 262Ser").

US case 10/066,810, independent claim 33.

Please let me know if you have any questions.

Thank you very much!
Olga

PS The case is due before the end of fiscal year.... thanks again!
